ALCOHOL SPONSORSHIP INFORMATION

## You're Invited!

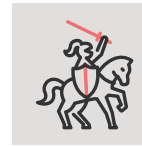

You are invited to be BOLD and join us for Men Behaving Boldly (MBB) and Women Behaving Boldly (WBB) on Thursday, November 3, 2022. MBB & WBB are two separate events celebrating one great cause - The Behaving Boldly Campaign raises funds and awareness for at-risk children and youth involved with Peel Children's Aid Society and the child welfare system.

These events bring together executives from different industries looking to make a difference over dinner, drinks, and entertainment. And each year we get the opportunity to hear directly from the youth who benefit from our support.

We hope you can join us in behaving boldly as we strive to raise \$100,000 net. This is your opportunity to market your brand to 350+ industry leaders, while making a positive impact in our community.

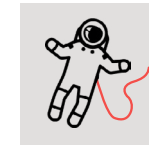

**Let's be BOLD and make a difference together!**
