

Allan Thompson
Mayor

August 2018

I had the pleasure recently of meeting with the Peel Children's Aid Foundation and to be introduced to the New Horizons campaign.

This campaign is about strengthening families, supporting children and youth and it's about building resources that help create healthy, safe communities.

New Horizons and the Peel Children's Aid Foundation need our help to reach their fundraising goal that will see a new Community Hub to support and enhance the work of Peel Children's Aid. I see Peel as the most vibrant and beautifully diverse Region in the GTA however we need to keep pace with the growing and changing needs of our communities by creating public/private partnership for the delivery of vital programs and services.

The Community Hub will serve as a resource for children, youth and families and will create opportunities to develop life and wellness skills as well as access to job training, tutoring and mentorship programs.

Let's all get behind this campaign and the children and families that will greatly benefit from it.

Sincerely,

Mayor Allan Thompson
